

CALL FOR POSTERS

International Committee

Honorary Chair

Jaime Caro, CSP President, University of the Philippines-Dilliman

Steering Chair

Jong Hyuk Park, Seoul National University of Technology, Korea

General Chairs

Sang-Soo Yeo, Mokwon University, Korea

Andrew Kusiak, The University of Iowa, USA

Alan Chin-Chen Chang, National Chung Cheng University, Taiwan

Program Chairs

Changhoon Lee, Hanshin University, Korea

Justin Zhan, CMU, USA

Naveen Chilamkurti, La Trobe University, Australia

Workshop/Special Session Chairs

Young-Sik Jeong, Wonkwang University, Korea

Bernady O. Apduhan, Kyushu Sangyo University, Japan

International Advisory Board Committee

Hamid R. Arabnia, University of Georgia, USA

Han-Chieh Chao, National Ilan University, TAIWAN

Hsiao-Hwa Chen, National Sun Yat-Sen University, TAIWAN

Mohammad S. Obaidat, Monmouth University, USA

Habib F. Rashvand, University of Warwick, UK

Publicity Chairs

Seng Loke, La Trobe University, Melbourne, Australia

Der-Jiunn Deng, National Changhua University of Education, Taiwan

Soo-Kyun Kim, Paichai University KOREA

Binod Vaidya, Inst. of Telecom./Univ. of Beira Interior, Portugal

Yan Zhang, Simula Research Laboratory, Norway

Wenbin Jiang, Huazhong University of Science & Technology, China

Local Arrangement Chairs

Rafael Saldana, Ateneo de Manila University, Philippines

Henry N. Adorna, University of the Philippines, Philippines

Gregg Victor Gabison, University of San Jose Recoletos, Philippines

Registration and Finance Chair

Yang Sun Lee, Chosun University, Korea

Hang-Bae Chang, Daejin University, Korea

Program Committee

- <http://www.ftrai.org/itcs2010/>

The 2nd International Conference on Information Technology Convergence and Services (ITCS-10) will be held in Cebu, Philippines on August 11-13, 2010.

The ITCS-10 will be the most comprehensive conference focused on the various aspects of advances in information technology convergence, applications, and services. The ITCS-10 will provide an opportunity for academic and industry professionals to discuss the latest issues and progress in the area of ITCS. In addition, the conference will publish high quality papers which are closely related to the various theories, modeling, and practical applications in ITCS. Furthermore, we expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject.

The ITCS-10 is the next event in a series of highly successful international symposium on IT and its Applications (ITA-09), previously held in Jeju, Korea on December 10 - 12, 2009.

The poster session at ITCS 2010 will give young scientists the opportunity to present their current work related to the various aspects of advances in information technology convergence, applications, and services and discuss their approach, results, problems and methods with the other participants of the conference. The selection of poster contributions will pay specific attention to their relevance to the topics of ITCS 2010.

Topics

We are inviting new and unpublished papers on, but not limited to, the following topics:

Track 1. Advanced Computational Science and Applications

Track 2. Advanced Electrical and Electronics Engineering and Technology

Track 3. Intelligent Manufacturing Technology and Services

Track 4. Advanced Management Information Systems and Services

Track 5. Electronic Commerce, Business and Management

Track 6. Intelligent Vehicular Systems and Communications

Track 7. Bio-inspired Computing and Applications

Track 8. Advanced IT Medical Engineering

Track 9. Modeling and Services for Intelligent Building, Town, and City

- See more details : <http://www.ftrai.org/itcs2010/>

Submissions and Proceedings

Researchers and Professors with students working in aforementioned area are invited to encourage their students to submit poster papers. We will review on the abstracts of submitted post papers and then send the acceptance notifications. After that authors are encouraged to submit camera ready papers.

For preparing camera ready papers, please use the IEEE Conference proceedings format (US letter size, available for download here: [IEEE Manuscript Templates for Conference Proceedings](#)) for submission.). Camera ready poster papers must be submitted as a single PDF file with no more than 4 pages. All accepted poster papers will be published in the conference proceedings with ISBN (not IEEE proceedings).

Distinguished posters accepted and presented in ITCS 2010, after further revisions, will be recommended to international journals indexed by **KCI-E** in NRF-K.

- Journal of Information Processing Systems (JIPS)

All submissions must be made electronically at:
http://www.editorialsystem.net/itcs2010_poster

Important dates

- Abstract Submission Deadline: **June 10, 2010**
- Acceptance Notification: June 20, 2010
- Camera Ready Paper Upload Due: June 30, 2010
- Conference Dates: August 11 - 13, 2010

Contact information

For further information regarding the symposium and paper submission, please contact to Prof. Jong Hyuk Park (parkjonghyuk1@hotmail.com) and Prof. Changhoon Lee (itcs.conf@gmail.com , cryptography1@gmail.com).
